January 18, 2022

Re: **Old Lisbon Road**

Dear Ms. Fortier:

Your facility requested an informal review of the audit report for **Old Lisbon Road** dated June 30, 2021 for the fiscal period from July 1, 2017 through June 30, 2018, which resulted in an overpayment in the amount of \$179,157.89. Your appeal request is based upon your letter dated August 30, 2021.

As a result of this request, we have prepared an informal review. Our **Final Informal Review Decision** is as follows:

1. **Provider's issue 1:** You disagree with the disallowance of the central office overhead expense in the amount of \$350,096.00 and have provided additional information to substantiate the costs.

**Department's response:** We agree to review the information provided with your appeal. Central office overhead is an allowable expense per MaineCare Benefits Manual, Chapter III, Section 50, Principle 4121, which states "Costs of services, facilities, and supplies furnished to the provider by organizations related to the provider by common ownership or control are includable in the allowable costs of the provider at the cost to the related organization."

The auditor of record will review the information provided and issue a revision, under separate cover, for central office costs that are allowable in accordance with the MaineCare Benefits Manual.

2. **Provider's issue 2:** You disagree with the disallowance of the insurance expense in the amount of \$22,719 and the workers' compensation insurance expense in the amount of \$32,234. You have provided additional information to substantiate the costs.

**Department's response:** We agree to review the information provided with your appeal. Insurance and workers' compensation insurance are allowable costs per MaineCare Benefits Manual, Chapter III, Section 50, Principles 3005.5 and 6021.4, respectively.

The auditor of record will review the information provided and issue a revision, under separate cover, for insurance and workers' compensation insurance costs that are allowable in accordance with the MaineCare Benefits Manual.

This final informal review decision was based upon a consultation with the auditor of record, a review of her audit report and the related work papers, and your subsequent communications to us.

Please refer to the attached Notice of Appeal Rights of MaineCare Providers for an explanation of your facility's further appeal options.

Sincerely,

Herbert F. Downs, Director  
Division of Audit
